

# THINKS

He Will Get a Match.

Simms May Fight Terry Thanksgiving.

Has an Offer For Go With Kid Carter.

Barberton Bowlers Are Out For Match Games.

Art Simms is confident that he will get a fight with McGovern. He says that unless something as yet unforeseen turn up, he will meet Terry at Hartford, Conn., Thanksgiving night. Terry has announced that he will meet any man in the world at 128 pounds, and this is the reason Simms is confident that Harris will make no serious objection to the match, although no word has been received from him as yet.

Terry is willing and Simms wants to fight and the Hartford club has already made a good offer for the go. Simms has returned to Akron from Cleveland and is working hard at the South End club for his fights.

Art will be kept busy in the next few weeks. He has received and signed the articles for the fight with Duffy at Detroit, and has heard definitely from the Abbey Athletic club regarding the go with Barney Furey a few days later. The latest fight offer that Simms has received was from Louisville, where he is offered a go with Young Corbett, to take place Nov. 13. The weight proposed is 130 pounds and Simms has accepted the match.

**MATCHES IN BARBERTON.**  
The O'Neils will bowl at Barberton Thursday night. The season is well on and the match games are expected to follow fast and plenty.

The match will call for an exchange of games and the Barberton aggregation will be seen here many times this season, if present plans are followed. There are no clubs at Barberton with whom match games can be played and the Barberton bowlers are arranging other games with outside teams. The Millersburg bowlers are arranging for a series with the Barberton men and there will be some hot contests.

**A PROFITABLE SEASON.**  
A fair portion of the horses owned by Akron men, who have been racing the fliers on the tracks of the north-eastern Ohio circuit this summer, will end the season ahead of the game. Sickness has been instrumental in preventing some of the local animals from landing the money and a large number of reasons beside lack of speed is also said to be to blame for some of the defeats. On the whole the season, which has been practically the first in which Akron horses have gone after the money against professionals, has been profitable for their owners.

The big start that they have received in the racing game will operate to prevent any more matinee races in Akron, however, unless the racing is done at times when there are no meets at other points for which Akron horses are eligible. The drivers expressed themselves as pleased with the game and will go after the money more extensively next year than ever before.

**SIMMS LIKES TERRY.**  
Art Simms and Charley Green work day after day at the South End club house and Art is trying to be in perfect condition for the fights that will soon confront him. Green is much taller and has a longer reach than Simms and is almost a heavyweight, as regards avoirdupois. He is also shifty and has developed good footwork, so that Art has anything but a snap when the two get together.

The Akron fighter is encouraged by his meeting with the champion and believes that as far as McGovern is concerned, a match can be made without much trouble. Harris, who is the business manager for the Brooklyn boy, may think differently from the fighter himself, with reference to the weight question and in that case the fight would again be off as Art refuses to meet McGovern at a lighter weight than 128 pounds at three o'clock.

**FOOTBALL DANGER.**  
There is no doubt in the minds of ordinary sportsmen that football offers many more inducements to the ordinary observer than it formerly did. The elimination of the flying wedge and the other forms of massed play that caused so many of the fatalities that were credited to football in the first few years of the game's popularity, has brought the accidents down

# "I Advise

All women who suffer from chronic diseases to write to Dr. Pierce.

That advice is based upon practical experience. After suffering for months, and finding no benefit result from the treatment of the local physician, Miss Belle Hedrick wrote to Dr. Pierce for advice. She acted on the advice, regained her appetite, recovered her strength, and gained several pounds in weight.

"Write to Doctor Pierce" is good advice for every woman who is troubled by chronic diseases. It costs nothing. Dr. Pierce invites sick women to consult him, by letter, free. Address Dr. R. V. Pierce, Invalids' Hotel, and Surgical Institute, Buffalo, N. Y.

In a little over thirty years, Dr. Pierce, assisted by his staff of nearly a score of physicians, has treated and cured over half a million women.

"I suffered from female weakness for five months," writes Miss Belle Hedrick of Nye, Putnam Co., W. Va. "I was treated by a good physician, but he never seemed to do me any good. I wrote to Dr. R. V. Pierce for advice, which I received, telling me to take his 'Favorite Prescription' and 'Golden Medical Discovery.' I took thirteen bottles of 'Favorite Prescription' and eight of 'Golden Medical Discovery.' When I had used the medicine a month my health was much improved. It has continued to improve until now I can work at almost all kinds of housework. I had scarcely any appetite, but it is all right now. Have gained several pounds in weight. I advise all who suffer from chronic diseases to write to Dr. Pierce."

to within a reasonably small number. While there are still many persons who object to the game personally, there are very few states that have legislated against it and very few places where the game is not the most popular of the year.

**CRESCUS IN VAUDEVILLE.**  
Crescus, having outstarred all opponents on the track, will now turn to a stage career, and will enter vaudeville at Keith's in New York. B. F. Keith has offered George Ketchum, owner of the horse, \$1,500 a week for thirty weeks. The scene to be represented is a race track. Crescus will be brought on the stage and prepared for a race. He starts, goes off the stage and a panoramic representation of a fast heat is then shown by a biograph. The horse comes back on the stage, covered with soapuds to represent lather and is unhitched and rubbed down by trainers in view of the audience.

**MUCH MUD AT NEWBURG.**  
They raced in the mud at Newburg, Wednesday, and after the heats a thick layer of track had to be scraped from both horses and drivers. The mixed races have proved successful and the runners have received almost as much of the interest as the harness fliers.

I was a slave, chained with putrid sore throat and asthma for ten years. I despaired of ever being cured. I saw your advertisement for the cure of this dreadful and tormenting disease, asthma, and thought you had overspoken yourselves, but resolved to give it a trial. To my astonishment the trial acted like a charm. Send me a full-size bottle."

Mich, was troubled with salt rheum for thirteen years and had tried a number of doctors without relief. After two applications of Banner Salve, her hands became better and in a short time she was entirely cured. Beware of substitutes.

# DAYS OF DIZZINESS

Come to Hundreds of Akron People.

There are days of dizziness. Spells of headache, dizziness, back-ache.

Sometimes rheumatic pains. All tell you plainly the kidneys are sick.

Doan's Kidney Pills cure all kidney ills.

Mr. E. A. Stewart, of 711 Bowery st., says: "I was greatly benefited by the use of Doan's Kidney Pills, sold by Lamparter & Co., druggists on S. Howard st. My back caused me great misery and my kidneys were very much deranged. I suffered from headaches, could not sleep at nights, was troubled with too frequent action of the kidney secretions and I had no ambition. My back hurt me all the time. Mr. C. E. Bobs, the flour and feed merchant, told me about Doan's Kidney Pills and on his recommendation I got them and took a course of the treatment. Now, in my turn, I can confidently recommend them as a valuable and effective remedy for over-excited or inactive kidneys."

hidden treasures of the Cuyahoga Valley. These gentlemen already control about 1,000 acres, covering roughly, the territory between Portage and Hawkins Stations and they will take steps shortly that will give them control of many acres more.

Drillers have been consulted, prices and all arrangements made and it is said that there will be a great deal of work done in the valley within a few months. The wells that will be drilled will be deeper than any that have been sunk in this part of the state and the experiments will be thorough. The fact that there has been oil found on the surface and the further knowledge that shallow wells have developed both oil and gas, in small quantities, has given the promoters of the scheme confidence of success.

**Sent to Reform School.**  
Carl Lang, for truancy, was sentenced to the Lancaster Reform School Wednesday by Judge Anderson.

# INCORPORATED COMPANY WILL SOON DRILL FOR OIL.

## Cuyahoga Valley Treasures to be Invested Systematically.

The work of drilling for oil in the Cuyahoga Valley will now go rapidly forward. The gentlemen who are interested in the deal are mostly owners of land in that part of the county and it is due to their investigations that the work has been taken up.

A company will soon be incorporated, under the laws of Delaware, by Messrs. Miner Howe, O. B. Hardy and others and the drilling will be begun in earnest. The new company will be capitalized at \$10,000 and no work will be done until all the stock has been taken. It is said that \$6,000 worth has already been placed.

Messrs. Howe and Hardy are sanguine of the success of the venture, and are resolved that whatever the result of the drilling, the work will be so thorough that there will be no further doubt of the nature of the
